Chief Stewardess – Kate Speedie

Kate is from Canada and just like most Canadians, is known for her friendliness and easy-going nature. She is naturally drawn to the ocean and enjoys every minute that she is in it or surrounded by it.

After working as a Dive Master in Thailand Kate decided to head to the Caribbean to explore its reefs and islands. This is when she got tuned into yachting. Her first adventure was sailing from St. Maarten to Columbia, after that she was hooked.

Kate has spent an extensive period in the fine dining and hospitality industry and taking care of people is second nature.

Kate has a professional sense of adventure and will ensure you have the most incredible vacation. Travel and special requests are her specialty, please use your imagination and our team will be happy to bring it to life for you.
