

Chief Stewardess – Grace Murdoch

Grace has lived just a short walk from the ocean on the east coast of Australia her whole life.

She has a love and passion for all water sports, particularly surfing, wake boarding and swimming.

Before joining the yacht industry Grace spent some time in hospitality, so taking care of people is second nature to her.

Upon joining the yachting world Grace's first yacht was M/Y Mustique, she was then fortunate to join Motor Yacht Galaxy, a busy dual season charter yacht in the Mediterranean and Caribbean. It was here where she quickly moved up the ranks with her hard work and enthusiasm. Grace spent over three years dedicated to this very busy yacht and is thrilled to bring her many learned valuable skills to Perle Bleue.

Grace has most recently completed her first year of Veterinary Nursing and will continue her education in the coming years.

Grace's enthusiastic and positive personality will ensure all guest feel welcome and at ease while on-board. Use your imagination and allow Grace and the team to bring you dream vacation to life.
